### But will all that continue?

The blockbuster hit movie - “The World of Suzie Wong”, starring Nancy Kwan, to the many novels published by renowned authors like Eileen Chang, Shi Shuqing and James Clavell, all describe love stories that blossomed between Chinese women and Western men in the Territory. Cross-cultural romance is indeed quite common here.

But will the love last?

A Legacy of our ‘Golden Age’

Established a half century ago at the top floor of Wu Sang House, the tallest commercial building in Mong Kok, the original JUNON Restaurant’s grand opening was held on November 17, 1967.

Now JUNON returns to Hong Kong at a new home in Wan Chai. Located in Wu Chung House next to the Hopewell Centre, the radiance of JUNON’s heritage shines once again!
